To claim the Ontario Tax Credits:

- ensure that all official receipts for Ontario Political Contributions are attached to this form. See below for property tax and rental receipts.
- file a completed Individual Income Tax Return, even if you have no taxable income but are claiming Ontario Property, Sales or Pensioner Tax Credits.

Basic Rules and Instructions for the Property, Sales and Pensioner Tax Credits

Property Tax Credit

The Ontario Property Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, **except**

- persons under age 16 at the end of 1977, and
- persons under age 21 at the end of 1977, who live at home and are claimed as dependants.

The property tax credit must be claimed by the spouse having the higher taxable income.

Only the property tax or rent paid in respect of your **principal residence** may be included in determining occupancy cost. Property tax or rent paid in respect of a second residence or cottage must not be included in occupancy cost.

Receipts

Receipts for 1977 rental payments or property tax bills are not required to be filed with the return but must be retained for examination on request. Receipts **must** be submitted for rentals and property tax bills applicable to prior taxation years which were paid in 1977.

Student Residence

Where the principal residence of an individual who is a full-time post-secondary school student is in a residence (prescribed by Regulations) of an Ontario university or college, the occupancy cost in respect of such residence is limited to \$25.

Sales Tax Credit

The Ontario Sales Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, **except**

- persons under age 16 at the end of 1977, and
- persons claimed as dependants for income tax purposes by any other person resident in Ontario.

Pensioner Tax Credit

The Ontario Pensioner Tax Credit may be claimed by all individuals resident in Ontario on 31st December, 1977, who are age 65 or over at the end of 1977, **except** for a married couple both of whom are age 65 or over at the end of that year living in the same principal residence; in which case only the spouse with the higher taxable income is entitled to claim this credit.

Where both spouses are 65 or over and neither spouse has a taxable income, the Pensioner Tax Credit must be claimed by the same spouse who is claiming the Property Tax Credit, except when no Property Tax Credit is being claimed; in which case either spouse, but not both of them, may claim the Pensioner Tax Credit.

Where only one spouse is 65 years of age or over, that spouse may claim the credit.

Principal Residence

'Principal residence' means the housing unit in Ontario which was ordinarily occupied or inhabited during the 1977 taxation year. Principal residence includes a temporary residence such as a hotel room which was occupied continuously by the individual for all or part of the year and also includes a mobile housing unit such as a trailer which was used as the principal residence of the individual. For persons who move, the principal residence includes all housing units in Ontario occupied and inhabited by the person during the taxation year. Annual property taxes or annual rent must be prorated to cover only the period of occupancy as a principal residence.

Occupancy Cost

'Occupancy cost' means

- the total property tax paid in respect of the principal residence for the taxation year (**do not include mortgage principal and interest payments**), or
- 20% of the total rent (excluding any amount paid for meals or board) paid in respect of the principal residence for the taxation year.

Spouse Having the Higher Taxable Income

Where husband and wife reside in the same principal residence, the Ontario Property Tax Credit must be claimed by the spouse having the higher taxable income, regardless of the registered ownership of the principal residence.

Marriage in the Year

In calculating occupancy cost where a marriage has occurred during the year, the claimant **who is the spouse with the higher taxable income** may include all of the following:

- the rent or property tax paid for the part of the year prior to marriage,
- the spouse's rent or property tax paid for the part of the year prior to marriage, and
- the rent or property tax paid during the period of marriage.

Death in the Year

The legal representative of the deceased can file a claim for a Property Tax Credit based on the property tax or rent paid by the deceased or his spouse **prior to his death**. Sales and Pensioner Tax Credits can be claimed as applicable.

The surviving spouse may, if otherwise qualified on the last day of the taxation year claim Ontario Tax Credits as follows:

- Property Tax Credit—regardless of any Property Tax Credit claimed on behalf of the deceased person.
- Sales Tax Credit—if not claimed as a dependant in the return of the deceased person.
- Pensioner Tax Credit—if over 65 years of age.

Signature

Pour demander les crédits d'impôt de l'Ontario :

- Prenez soin de joindre à cette formule tous les reçus officiels se rapportant aux contributions politiques (Ontario). Voyez ce qui est dit ci-dessous au sujet des reçus d'impôts fonciers et de loyers.
- Vous devez remplir et produire une déclaration d'impôt sur le revenu des particuliers lorsque vous demandez des crédits d'impôts fonciers, de taxe sur les ventes et d'impôt aux pensionnés de l'Ontario, même si vous n'avez aucun revenu imposable.

Règles et indications générales concernant les crédits d'impôts fonciers, de taxe sur les ventes et d'impôt aux pensionnés

Crédit d'impôts fonciers

Le crédit d'impôts fonciers de l'Ontario peut être demandé par tous les particuliers qui étaient résidents de l'Ontario le 31 décembre 1977,

sauf

- les personnes âgées de moins de 16 ans à la fin de 1977 et
- les personnes âgées de moins de 21 ans à la fin de 1977, qui habitent à la maison et sont déclarées à charge.

Le crédit d'impôts fonciers doit être demandé par le conjoint ayant le revenu imposable le plus élevé.

Pour déterminer le coût d'habitation, vous ne devez compter que l'impôt foncier ou le loyer de votre **résidence principale**. Vous ne pouvez faire entrer dans le coût d'habitation l'impôt foncier ni le loyer d'une deuxième résidence ou d'un chalet.

Reçus

Vous n'êtes pas tenu de produire avec la déclaration les reçus de loyers ou d'impôts fonciers pour 1977, mais vous devez pouvoir les produire sur demande. Cependant, vous **êtes tenu** de produire les reçus de loyers et d'impôts fonciers payés en 1977 qui se rapportent à des années d'imposition antérieures.

Résidence d'étudiants

Lorsque la résidence principale d'un particulier qui poursuit à plein temps des études de niveau post-secondaire se trouve dans un logement (prescrit par les Règlements) tenu par une université ou un collège de l'Ontario, le coût d'habitation à l'égard de ce logement est limité à \$25.

Crédit de taxe sur les ventes

Quiconque résidait en Ontario le 31 décembre 1977 peut demander le crédit de taxe sur les ventes de l'Ontario, **sauf**

- les personnes âgées de moins de 16 ans à la fin de 1977 et
- les personnes déclarées à charge aux fins de l'impôt sur le revenu par tout autre résident de l'Ontario.

Crédit d'impôt aux pensionnés

Toute personne qui était âgée de 65 ans ou plus à la fin de 1977 et qui résidait en Ontario le 31 décembre 1977 peut demander le crédit d'impôt aux pensionnés de l'Ontario, **sauf** que, dans le cas où le mari et la femme étaient âgés tous deux de 65 ans ou plus à la fin de ladite année et habitaient la même résidence principale, seul le conjoint ayant le revenu imposable le plus élevé peut demander ce crédit.

Lorsque les deux conjoints sont âgés de 65 ans ou plus et qu'aucun n'a un revenu imposable, le crédit d'impôt aux pensionnés doit être demandé par le conjoint qui demande le crédit d'impôts fonciers, mais si aucun n'a demandé le crédit d'impôts fonciers, le crédit d'impôt aux pensionnés peut être demandé par l'un ou par l'autre, mais non par les deux. Lorsqu'un seul des conjoints est âgé de 65 ans ou plus, c'est ce conjoint qui peut demander le crédit.

Résidence principale

La «résidence principale» désigne le logement situé en Ontario que l'on a habituellement occupé ou habité pendant l'année d'imposition 1977. Elle comprend une résidence

temporaire, par exemple une chambre d'hôtel que le particulier a occupée de façon continue pendant la totalité ou une partie de l'année, et comprend également un logement mobile, comme une roulotte, lui ayant servi de résidence principale. Dans le cas d'une personne qui déménage, la résidence principale comprend tous les logements en Ontario qu'elle a occupés ou habités pendant l'année d'imposition. On doit faire un calcul proportionnel du montant annuel des impôts fonciers ou du loyer afin de ne compter que la période pendant laquelle un logement a servi de résidence principale.

Coût d'habitation

Par «coût d'habitation», il faut entendre

- la totalité des impôts fonciers versés à l'égard de la résidence principale pour l'année d'imposition (**à l'exclusion des paiements de capital et d'intérêts sur hypothèque**), ou
- 20% du loyer total (à l'exclusion de tout montant payé pour les repas ou la pension) versé à l'égard de la résidence principale pour l'année d'imposition.

Conjoint au revenu imposable le plus élevé

Lorsque les conjoints habitent la même résidence principale, le crédit d'impôts fonciers et (ou) le crédit d'impôt aux pensionnés de l'Ontario doivent être demandés par le conjoint au revenu imposable le plus élevé, quel que soit celui qui détient le titre de propriété de la résidence principale.

Mariage au cours de l'année

Pour calculer le coût d'habitation lorsqu'un mariage est survenu au cours de l'année, le conjoint qui demande le crédit (**celui qui a le revenu imposable le plus élevé**) peut inclure tout ce qui suit :

- le loyer ou l'impôt foncier payé pour la partie de l'année avant le mariage,
- le loyer ou l'impôt foncier payé par son conjoint pour la partie de l'année avant le mariage,
- le loyer ou l'impôt foncier payé depuis le mariage.

Décès au cours de l'année

Le représentant légal de la personne décédée peut produire une demande de crédit d'impôts fonciers suivant le montant des impôts fonciers ou des loyers payés par la personne décédée ou son conjoint **avant le décès**. Les crédits de taxe sur les ventes et d'impôt aux pensionnés peuvent être demandés s'il y a lieu. Le conjoint survivant peut, s'il y est autrement admissible, demander les crédits d'impôt de l'Ontario le dernier jour de l'année d'imposition de la façon suivante :

- Crédit d'impôts fonciers—sans égard à tout crédit d'impôts fonciers demandé au nom de la personne décédée,
- Crédit de taxes sur les ventes—si le conjoint survivant n'a pas été désigné comme personne à charge dans la déclaration du contribuable décédé.
- Crédit d'impôt aux pensionnés—si le conjoint survivant est âgé de plus de 65 ans.

(a) such person was employed at the date of the accident;

(b) within 30 days from the date of the accident the injured person suffers substantial inability to perform the essential duties of his occupation or employment;

(c) no payments shall be made for any period in excess of 104 weeks except that if, at the end of the 104 week period, it has been established that such injury continuously prevents such person from engaging in any occupation or employment for which he is reasonably suited by education,

training or experience, the Insurer agrees to make such weekly payments for the duration of such inability to perform the essential duties.

Amount of Weekly Payment—The amount of a weekly payment shall be the lesser of,

- (4) a person receiving a weekly payment who, within 30 days of resuming his occupation or employment is unable to continue such occupation or employment as a result

of such injury, is not precluded from receiving further weekly payments;

- (5) except for the first two weeks of disability, where the payments for loss of income payable hereunder, together with payments for loss of income under another contract of insurance other than a contract of insurance relating to any wage or salary continuation plan available to an insured person by reason of his employment, exceed the money value of the loss of income of the insured person, the Insurer is liable only for that proportion of the payments for loss of income stated in this policy that the money value of loss of income the person insured bears to the aggregate of the payments for loss of income payable under all such contracts.

3.—(1) Paragraph 5 of subsection 3 of the said Schedule is revoked and the following substituted therefor:

2. The total taxation of the municipality for upper-tier purposes.
3. The total direct water billings on ratepayers by a municipality for upper-tier purposes.
4. The total water billings levied directly on ratepayers in a lower-tier municipality by the upper-tier municipality in which it is situated.

5. The total sewer surcharges on direct water billings by a municipality for upper-tier purposes.
6. The total sewer service charges levied directly on ratepayers in a lower-tier municipality by the upper-tier municipality in which it is situated.
7. The upper-tier share of payments in lieu of taxes.
8. That portion of the resource equalization grant entitlement allocated to the upper-tier.
9. The lower-tier municipality's share of the upper-tier municipality's grant entitlements calculated pursuant to sections 15 and 16 of the Act based on the ratio of a lower-tier municipality's gross requisition for general purposes to the total upper-tier gross requisition for general purposes, correct to two decimal places. O. Reg. 264/78, s. 5.

6.—(1) Where the total grants calculated under sections 9, 15 and 16 of the Act for a municipality designated in 1972 as a mining municipality under section 28 of *The Assessment Act*, as it existed at that time, are less than 105 per cent of the mining revenue payment that would have been received in 1973 as set out in Schedule 3, the net general dollar levies for those grants calculated under sections 4 and 5 shall be deemed to be an amount that would produce an aggregate grant equal to 105 per cent of the amount set out in Schedule 3.

(2) Subsection 1 applies only to a municipality that received grants under subsection 1 of section 7 of Ontario Regulation 695/77. O. Reg. 264/78, s. 6.

7.—(1) In the calculation of the resource equalization grant, the general support grant, or the special support grant for a municipality, where incorporation took place effective on or after the first day of the calendar year or where responsibility for any service delivery has been transferred between a lower-tier municipality and an upper-tier municipality, data pertaining to the year of incorporation or the year of transfer of responsibility for service delivery may be substituted for data pertaining to the immediately preceding year.

(2) In the calculation of the resource equalization grant, the general support grant, or the special support grant to a lower- or upper-tier municipality, where incorporation took place effective on or after the first day of the calendar year, other than a municipality to which subsection 1 applies, or where major boundary changes took place on or after the first day of the calendar year, data pertaining to the immediately preceding year may be adjusted to take into account such incorporation or changes in boundaries.

(3) The net general dollar levy of a municipality may be adjusted if incorporation took place after the first day of the immediately preceding year leading to municipal data pertaining to only part of the calendar year. O. Reg. 264/78, s. 7.

OVERPAYMENT

8. When there is an overpayment or underpayment of grants paid to a municipality, the Minister shall adjust any grant paid to that municipality in the immediately following year by the amount of such overpayment or underpayment. O. Reg. 264/78, s. 8.

CONDITIONS OF GRANTS

9.—(1) Grants under this Regulation are conditional upon the submission by each municipality to the Ministry of the audited financial information return in the manner prescribed pursuant to section 9 of *The Municipal Affairs Act* and section 223 of *The Municipal Act* together with any additional data or amendments to the audited financial information return that may be required by the Ministry within the time required by the Ministry.

(2) Where a municipality fails to provide the additional data or amendments to the audited financial information return within the time required by the Ministry under subsection 1, the Ministry may in its sole discretion rely on such data as it considers relevant to calculate the amount of the grant payable to the municipality.

(3) Where a grant has been paid on the basis of calculations and data relied on by the Ministry pursuant to subsection 2, a municipality may request a recalculation of the grant payable to the municipality by submitting such additional data or amendments to the audited financial information return as requested by the Ministry.

(4) Where, in its sole discretion, the Ministry considers revisions to errors in the audited financial information return by a municipality to be unnecessary for the purposes of the payment of a grant under the Act, the Ministry may amend the data as it considers necessary to calculate the amount of the grant payable to the municipality. O. Reg. 264/78, s. 9.

MINISTERIAL INTERIM PAYMENTS

10. The Minister in any year may make interim payments to each municipality not exceeding 50 per cent of the total grants to each municipality under the Act in the immediately preceding year. O. Reg. 264/78, s. 10.

11. This Regulation applies to grants in respect of 1978 and subsequent calendar years. O. Reg. 264/78, s. 11.

The Crop Insurance Act (Ontario)

CONTRACT OF INSURANCE

Between:

THE CROP INSURANCE COMMISSION OF ONTARIO, hereinafter referred to as "THE COMMISSION",

OF THE FIRST PART;

OF THE SECOND PART.

WHEREAS the insured person has applied for crop insurance on one or more vine crops under The Crop Insurance Plan for Vine Crops, hereinafter referred to as "the plan";

NOW THEREFORE, subject to *The Crop Insurance Act (Ontario)* and the regulations made thereunder, where in a crop year the insured person suffers a loss resulting from one or more of the perils designated in the plan, the Commission, subject to the terms and conditions hereinafter set forth, agrees to indemnify the insured person in respect of such loss.

CAUSES OF LOSS NOT INSURED AGAINST

1. This contract does not insure against and no indemnity shall be paid in respect of a loss resulting from,

- (a) the negligence, misconduct or poor farming practices of the insured person or his agents or employees;
- (b) a shortage of labour or machinery;
- (c) insect infestation or plant disease unless recommended spray programs were followed; or
- (d) a peril other than the perils designated in the plan.

EXTENT OF INSURANCE

2.—(1) The insured person shall offer for insurance all acreage planted in the crop year to the insured crop or crops on the farm or farms operated by him in Ontario, and, subject to subparagraph 2, this contract applies to all such acreage under contract to the processor or processors named in the application for insurance herein.

(2) This contract does not apply to, and no indemnity is payable in respect of, acreage planted to an insured crop,

- (a) that was not adequately prepared for cropping purposes;
- (b) that, in the opinion of the Commission, is not insurable;
- (c) for which a contract between the insured person and the processor is not in effect; or
- (d) on which the insured crop is a volunteer crop.

3.—(1) Where the acreage planted by the insured person in the crop year is not the same as that stated in the application for insurance the insured person shall, not later than the 15th day of July, notify the Commission in writing of the actual acreage planted.

(2) Where the actual planted acreage of an insured crop is less than that stated in the application for insurance, the maximum amount of indemnity shall be reduced proportionately.

(3) Where the actual planted acreage of an insured crop is more than that stated in the application for insurance, the maximum amount of indemnity and the premium payable shall not be increased but the value of production for the total planted acreage determined in the manner prescribed by section 10 of the plan shall be included in establishing the income of the insured person unless the processor increases the contract acreage accordingly.

HARVESTING OF PLANTED ACREAGE

4.—(1) All acreage planted to an insured crop in the crop year shall be harvested for processing unless the Commission, upon application therefor in writing, consents in writing to,

- (a) the use of the planted acreage or any part thereof for another purpose; or
- (b) the abandonment or destruction of the insured crop or any part thereof.

(2) The final date for the harvesting referred to in subparagraph 1 is noon on the 1st day of November or such other date as may be determined from time to time by the Commission.

(3) Where the harvesting of any planted acreage is not completed on the date prescribed by subparagraph 2, the insured person shall forthwith notify the Commission in writing.

(4) Where an insured person fails to notify the Commission in accordance with subparagraph 3, no indemnity shall be paid in respect of unharvested acreage.

STAGE 1

5.—(1) Stage 1 comprises the period from the date on which the planting of the acreage is completed to the 30th day of June.

(2) Where any part of the insured crop is lost or damaged in Stage 1, the Commission, upon application therefor in writing by the insured person, may consent in writing to,

- (a) the replanting of the damaged acreage; or
- (b) the abandonment or destruction of the insured crop on such damaged acreage and in such case the Commission shall determine the number of damaged acres and the potential value of production thereof.

(3) Where the damaged acreage is replanted to the insured crop in accordance with clause a of

subparagraph 2, the contract of insurance shall continue to apply to such replanted acreage.

(4) Where the damaged acreage is abandoned or destroyed in accordance with clause *b* of subparagraph 2, the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as,

- (a) 50 per cent of the coverage applicable to the damaged acreage; or
- (b) the difference between the coverage and the potential value of production for the damaged acreage,

whichever is the lesser.

(5) Notwithstanding any application made in writing by the insured person under this paragraph, the Commission may, where loss or damage occurs in Stage 1, notify the insured person in writing that it intends to terminate the insurance coverage on such damaged acreage and, in such case, no further indemnity shall be payable in respect of the damaged acreage.

STAGE 2

6.—(1) Stage 2 commences on the 1st day of July and for any part of the planted acreage ends with the completion of harvesting of such part.

(2) Where loss or damage occurs in Stage 2, the Commission, upon application therefor in writing by the insured person, may consent in writing to the use of the damaged acreage for any other purpose or to the abandonment or destruction of the insured crop on such damaged acreage and, in such case, the Commission shall determine the number of damaged acres and the potential value of production thereof.

(3) Where,

- (a) damaged acreage is used for any other purpose or the insured crop thereon is abandoned or destroyed in accordance with subparagraph 2; or
- (b) the harvesting of any planted acreage is not completed on the date determined therefor,

the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the amount by which the coverage for the damaged or unharvested acreage, as the case may be, exceeds the potential value of production determined therefor.

(4) Where damaged acreage is not used for any other purpose or the crop thereon is not abandoned

or destroyed after the Commission has consented thereto, the amount of loss calculated under subparagraph 3 shall not be taken into account in the final adjustment of loss.

(5) Where the actual value of production of the acreage harvested determined in the manner prescribed by section 10 of the plan is less than the coverage for such acreage, the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the difference between the coverage and the actual value of production.

EVALUATION OF LOSS

7. The amount of loss that shall be taken into account in the final adjustment of loss is the amount by which the total coverage prescribed by section 9 of the plan exceeds the sum of,

- (a) the total value of production of the insured crop or crops for the crop year determined in the manner prescribed by section 10 of the plan as evidenced by the processor's statement of production;
- (b) the value as determined by the Commission of the potential production of acreage unharvested for reasons other than the insured perils; and
- (c) any loss sustained by reason of a peril other than the perils designated in the plan.

MISREPRESENTATION, VIOLATION OF CONDITIONS OR FRAUD

8. Where the insured person,

- (a) in the application for insurance,
 - (i) gives false particulars of an insured crop to the prejudice of the Commission, or
 - (ii) knowingly misrepresents or fails to disclose any fact required to be stated therein;
- (b) contravenes a term or condition of the contract of insurance;
- (c) commits a fraud in respect of an insured crop; or
- (d) wilfully makes a false statement in respect of a claim under the contract of insurance,

a claim by the insured person is invalid and his right to recover indemnity is forfeited.

WAIVER OR ALTERATION

9. No term or condition of this contract shall be deemed to be waived or altered in whole or in part by the Commission unless the waiver or alteration is clearly expressed in writing signed by the Commission or a representative authorized for that purpose by the Commission.

INTEREST OF OTHER PERSONS

10. Notwithstanding that a person other than the insured person holds an interest of any kind in an insured crop, for the purposes of this contract,

- (a) the interest of the insured person in an insured crop is deemed to be the full value of the crop; and
- (b) except as provided in paragraph 11, no indemnity shall be paid to any person other than the insured person.

ASSIGNMENT OF RIGHT TO INDEMNITY

11. The insured person may assign all or part of his right to indemnity under this contract in respect of an insured crop but an assignment is not binding on the Commission and no payment of indemnity shall be made to an assignee unless,

- (a) the assignment is made on a form approved by the Commission; and
- (b) the Commission consents thereto in writing.

12.—(1) Where loss or damage to an insured crop results from one or more of the perils insured against and the damage was occasioned at a readily ascertainable time, the insured person shall notify the Commission forthwith by telephone and shall confirm in writing within three days of such time.

(2) Where loss or damage to an insured crop results from one or more of the perils insured against and it appears, or ought reasonably to appear to the insured person at any time after planting and before the completion of harvesting of the insured crop that the potential production of the insured crop has a value less than the total insured coverage, the insured person shall, as soon as the loss or damage is apparent, notify the Commission in writing forthwith.

(3) Notwithstanding any notice given by the insured person under this paragraph, where on completion of harvesting of an insured crop,

- (a) the actual value of production of the insured crop determined in the manner prescribed by section 10 of the plan is less than the total insured coverage; and
- (b) the loss resulted from one or more of the perils insured against,

the insured person shall notify the Commission in writing forthwith.

ABANDONMENT, DESTRUCTION OR ALTERNATE USE

13.—(1) Acreage planted to an insured crop shall not be put to another use and the insured crop shall not be abandoned or destroyed until the Commission has appraised the potential production of the acreage.

(2) An appraisal made under subparagraph 1 shall not be taken into account in the final adjustment of loss where the insured person harvests the appraised acreage for processing.

ADJUSTMENT OF LOSS

14.—(1) The indemnity payable for loss or damage to an insured crop shall be determined in the manner prescribed by this contract.

(2) The Commission may cause the production of an insured crop to be appraised by any method that it deems proper.

(3) No indemnity shall be paid for a loss in respect of an insured crop unless the insured person establishes,

- (a) the total value of production of the insured crop for the crop year; and
- (b) that the loss in income or part thereof resulted directly from one or more of the perils insured against.

(4) Where a loss resulted partly from a peril insured against and partly from a cause of loss not insured against, the Commission shall determine the amount of the loss that resulted from the cause of loss not insured against, and the indemnity payable by the Commission under this contract shall be reduced accordingly.

PROOF OF LOSS

15.—(1) A claim for indemnity in respect of the insured crop shall be made on a proof of loss form provided by the Commission and shall be filed with the Commission not later than sixty days after,

- (a) the completion of harvesting of the last of the insured crops; or
- (b) the end of the crop year,

whichever is the earlier.

(2) Subject to subparagraph 3, a claim for indemnity shall be made by the insured person.

(3) A claim for indemnity may be made,

- (a) in the case of the absence or inability of the insured person, by his agent; or

(b) in the case of the absence or inability of the insured person or on his failure or refusal to do so, by an assignee under an assignment made in accordance with paragraph 11.

(4) Where required by the Commission, the information given in a proof of loss shall be verified by statutory declaration.

ARBITRATION

16. Where the Commission and the insured person fail to resolve any dispute respecting the adjustment of a loss under this contract, the matter shall be determined by arbitration in accordance with the regulations.

TIME FOR PAYMENT OF INDEMNITY

17.—(1) No indemnity under this contract becomes due and payable until,

- (a) the end of the crop year; and
- (b) the premium has been paid in full.

(2) Where the indemnity payable by the Commission under this contract is established by the filing of a proof of loss form or by an award of an arbitrator or board of arbitration, it shall be paid within sixty days of the receipt by the Commission of the proof of loss form or award, as the case may be.

(3) Nothing in this paragraph prevents the Commission from paying indemnity under this contract at an earlier date.

SUBROGATION

18. Where the Commission has paid a claim under this contract, the Commission is subrogated

to the extent thereof to all rights of recovery of the insured person against any person and may bring action in the name of the insured person to enforce those rights.

RIGHT OF ENTRY

19. The Commission has a right of entry to the premises of the insured person that may be exercised by agents of the Commission at any reasonable time or times for any purpose related to the contract of insurance.

NOTICE

20.—(1) Any written notice to the Commission shall be given by delivery thereof or by sending it by mail to the Commission.

The Crop Insurance Act (Ontario)

CONTRACT OF INSURANCE

Between:

THE CROP INSURANCE COMMISSION OF ONTARIO,
hereinafter referred to as "THE COMMISSION",

OF THE FIRST PART;

— and —

.....
of the.....of.....

in the County (or as the case may be) of

....., hereinafter referred to
as "THE INSURED PERSON",

OF THE SECOND PART.

WHEREAS the insured person has applied for crop insurance on one or more crops under The Crop Insurance Plan for Cabbage, Cauliflower and Carrots, hereinafter referred to as "the plan";

NOW THEREFORE, subject to *The Crop Insurance Act (Ontario)* and the regulations made thereunder, where in a crop year the insured person suffers a loss resulting from one or more of the perils designated in the plan, the Commission, subject to the terms and conditions hereinafter set forth, agrees to indemnify the insured person in respect of such loss.

CAUSES OF LOSS NOT INSURED AGAINST

1. This contract does not insure against and no indemnity shall be paid in respect of a loss resulting from,

- (a) the negligence, misconduct or poor farming practices of the insured person or his agents or employees;
- (b) a shortage of labour or machinery;
- (c) insect infestation or plant disease unless recommended spray programs were followed; or
- (d) a peril other than the perils designated in the plan.

EXTENT OF INSURANCE

2.—(1) The insured person shall offer for insurance all acreage planted in the crop year to the insured crop or crops on the farm or farms operated by him in Ontario, and, subject to subparagraph 2, this contract applies to all such acreage under contract to the processor or processors named in the application for insurance herein.

(2) This contract does not apply to, and no indemnity is payable in respect of, acreage planted to an insured crop,

- (a) that was not adequately prepared for cropping purposes;
- (b) that, in the opinion of the Commission, is not insurable;
- (c) for which a contract between the insured person and the processor is not in effect; or
- (d) on which the insured crop is a volunteer crop.

3.—(1) Where the acreage planted by the insured person in the crop year is not the same as that stated in the application for insurance, the insured person shall, not later than the 15th day of July, notify the Commission in writing of the actual acreage planted.

(2) Where the actual planted acreage of an insured crop is less than that stated in the application for insurance, the maximum amount of indemnity shall be reduced proportionately.

(3) Where the actual planted acreage of an insured crop is more than that stated in the application for insurance, the maximum amount of indemnity and the premium payable shall not be increased but the production from the total planted acreage shall be included in establishing the income of the insured person unless the processor increases the contract acreage accordingly.

HARVESTING OF PLANTED ACREAGE

4.—(1) All acreage planted to an insured crop in the crop year shall be harvested for processing unless the Commission, upon application therefor in writing, consents in writing to,

- (a) the use of the planted acreage or any part thereof for another purpose; or
- (b) the abandonment or destruction of the insured crop or any part thereof.

(2) The final date for the harvesting referred to in subparagraph 1 is noon on the 1st day of November or such other date as may be determined from time to time by the Commission.

(3) Where the harvesting of any planted acreage is not completed on the date prescribed by subparagraph 2, the insured person shall forthwith notify the Commission in writing.

(4) Where an insured person fails to notify the Commission in accordance with subparagraph 2, no indemnity shall be paid in respect of unharvested acreage.

STAGE 1

5.—(1) Stage 1 comprises the period from the date on which the planting of the acreage is completed to the 30th day of June.

(2) Where any part of the insured crop is lost or damaged in Stage 1, the Commission, upon application therefor in writing by the insured person, may consent in writing to,

- (a) the replanting of the damaged acreage; or
- (b) the abandonment or destruction of the insured crop on such damaged acreage and in such case the Commission shall determine the number of damaged acres and the potential value of production thereof.

(3) Where the damaged acreage is replanted to the insured crop in accordance with clause *a* of subparagraph 2, the contract of insurance shall continue to apply to such replanted acreage.

(4) Where the damaged acreage is abandoned or destroyed in accordance with clause *b* of subparagraph 2, the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as,

- (a) 50 per cent of the coverage applicable to the damaged acreage; or
- (b) the difference between the coverage and the potential value of production for the damaged acreage,

whichever is the lesser.

(5) Notwithstanding any application made in writing by the insured person under this paragraph, the Commission may, where loss or damage occurs in Stage 1, notify the insured person in writing that it intends to terminate the insurance coverage on such damaged acreage and, in such case, no further indemnity shall be payable in respect of the damaged acreage.

STAGE 2

6.—(1) Stage 2 commences on the 1st day of July and for any part of the planted acreage ends with the completion of harvesting of such part.

(2) Where loss or damage occurs in Stage 2, the Commission, upon application therefor in writing by the insured person, may consent in writing to the use of the damaged acreage for any other purpose or to the abandonment or destruction of the insured crop on such damaged acreage and, in such case, the Commission shall determine the number of damaged acres and the potential value of production thereof.

(3) Where,

- (a) damaged acreage is used for any other purpose or the insured crop thereon is abandoned or destroyed in accordance with subparagraph 2; or
- (b) the harvesting of any planted acreage is not completed on the date determined therefor,

the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the amount by which the coverage for the damaged or unharvested acreage, as the case may be, exceeds the potential value of production determined therefor.

(4) Where damaged acreage is not used for any other purpose or the crop thereon is not abandoned or destroyed after the Commission has consented thereto, the amount of loss calculated under subparagraph 3 shall not be taken into account in the final adjustment of loss.

(5) Where the actual value of production of the acreage harvested determined in the manner prescribed by section 10 of the plan is less than the coverage for such acreage, the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the difference between the coverage and the actual value of production.

EVALUATION OF LOSS

7. The amount of loss that shall be taken into account in the final adjustment of loss is the amount by which the total coverage prescribed by section 9 of the plan exceeds the sum of,

- (a) the total value of production of the insured crop or crops for the crop year determined in the manner prescribed by section 10 of the plan as evidenced by the processor's statement of production;
- (b) the value as determined by the Commission of the potential production of acreage unharvested for reasons other than the insured perils; and

- (c) any loss sustained by reason of a peril other than the perils designated in the plan.

**MISREPRESENTATION, VIOLATION
OF CONDITIONS OR FRAUD**

8. Where the insured person,

- (a) in the application for insurance,
- (i) gives false particulars of an insured crop to the prejudice of the Commission, or
 - (ii) knowingly misrepresents or fails to disclose any fact required to be stated therein;
- (b) contravenes a term or condition of the contract of insurance;
- (c) commits a fraud in respect of an insured crop; or
- (d) wilfully makes a false statement in respect of a claim under the contract of insurance,

a claim by the insured person is invalid and his right to recover indemnity is forfeited.

WAIVER OR ALTERATION

9. No term or condition of this contract shall be deemed to be waived or altered in whole or in part by the Commission unless the waiver or alteration is clearly expressed in writing signed by the Commission or a representative authorized for that purpose by the Commission.

INTEREST OF OTHER PERSONS

10. Notwithstanding that a person other than the insured person holds an interest of any kind in an insured crop, for the purposes of this contract,

- (a) the interest of the insured person in an insured crop is deemed to be the full value of the crop; and
- (b) except as provided in paragraph 11, no indemnity shall be paid to any person other than the insured person.

ASSIGNMENT OF RIGHT TO INDEMNITY

11. The insured person may assign all or part of his right to indemnity under this contract in respect of an insured crop but an assignment is not binding on the Commission and no payment of indemnity shall be made to an assignee unless,

- (a) the assignment is made on a form approved by the Commission; and

- (b) the Commission consents thereto in writing.

12.—(1) Where loss or damage to an insured crop results from one or more of the perils insured against and the damage was occasioned at a readily ascertainable time, the insured person shall notify the Commission forthwith by telephone and shall confirm in writing within three days of such time.

(2) Where loss or damage to an insured crop results from one or more of the perils insured against and it appears, or ought reasonably to appear to the insured person at any time after planting and before the completion of harvesting of the insured crop that the potential production of the insured crop has a value less than the total insured coverage, the insured person shall, as soon as the loss or damage is apparent, notify the Commission in writing forthwith.

(3) Notwithstanding any notice given by the insured person under this paragraph, where on completion of harvesting of an insured crop,

- (a) the actual value of production of the insured crop determined in the manner prescribed by section 10 of the plan is less than the total insured coverage; and
- (b) the loss resulted from one or more of the perils insured against,

the insured person shall notify the Commission in writing forthwith.

**ABANDONMENT, DESTRUCTION
OR ALTERNATE USE**

13.—(1) Acreage planted to an insured crop shall not be put to another use and the insured crop shall not be abandoned or destroyed until the Commission has appraised the potential production of the acreage.

(2) An appraisal made under subparagraph 1 shall not be taken into account in the final adjustment of loss where the insured person harvests the appraised acreage for processing.

ADJUSTMENT OF LOSS

14.—(1) The indemnity payable for loss or damage to an insured crop shall be determined in the manner prescribed by this contract.

(2) The Commission may cause the production of an insured crop to be appraised by any method that it deems proper.

(3) No indemnity shall be paid for a loss in respect of an insured crop unless the insured person establishes,

- (a) the total value of production of the insured crop for the crop year; and

(b) that the loss in income or part thereof resulted directly from one or more of the perils insured against.

(4) Where a loss resulted partly from a peril insured against and partly from a cause of loss not insured against, the Commission shall determine the amount of the loss that resulted from the cause of loss not insured against, and the indemnity payable by the Commission under this contract shall be reduced accordingly.

PROOF OF LOSS

15.—(1) A claim for indemnity in respect of the insured crop shall be made on a proof of loss form provided by the Commission and shall be filed with the Commission not later than sixty days after,

- (a) the completion of harvesting of the last of the insured crops; or
- (b) the end of the crop year,

whichever is the earlier.

(2) Subject to subparagraph 3, a claim for indemnity shall be made by the insured person.

(3) A claim for indemnity may be made,

- (a) in the case of the absence or inability of the insured person, by his agent; or
- (b) in the case of the absence or inability of the insured person or on his failure or refusal to do so, by an assignee under an assignment made in accordance with paragraph 11.

(4) Where required by the Commission, the information given in a proof of loss shall be verified by statutory declaration.

ARBITRATION

16. Where the Commission and the insured person fail to resolve any dispute respecting the adjustment of a loss under this contract, the matter shall be determined by arbitration in accordance with the regulations.

TIME FOR PAYMENT OF INDEMNITY

17.—(1) No indemnity under this contract becomes due and payable until,

- (a) the end of the crop year; and
- (b) the premium has been paid in full.

(2) Where the indemnity payable by the Commission under this contract is established by the filing of a proof of loss form or by an award of an arbitrator or board of arbitration, it shall be paid within sixty days of the receipt by the Commission of the proof of loss form or award, as the case may be.

(3) Nothing in this paragraph prevents the Commission from paying indemnity under this contract at an earlier date.

SUBROGATION

18. Where the Commission has paid a claim under this contract, the Commission is subrogated to the extent thereof to all rights of recovery of the insured person against any person and may bring action in the name of the insured person to enforce those rights.

RIGHT OF ENTRY

19. The Commission has a right of entry to the premises of the insured person that may be exercised by agents of the Commission at any reasonable time or times for any purpose related to the contract of insurance.

NOTICE

20.—(1) Any written notice to the Commission shall be given by delivery thereof or by sending it by mail to the Commission.

(2) Written notice to the insured person shall be given by delivery thereof or by sending it by mail addressed to him at his last post office address on file with the Commission.

(2) The coverage provided under subsection 1 shall be increased following each consecutive no claim year as follows:

1. Following the first no claim year to 70 per cent.
2. Following the second no claim year to 75 per cent.

10. The value of production for each acre of the insured crop shall be computed annually by the Commission on the basis of production records or such other basis as the Commission approves and shall be deemed to be the average farm yield per acre multiplied by the established price as determined from time to time by the Commission.

PREMIUMS

11.—(1) The total premium payable in the crop year is,

- (a) where the level of coverage is 60 per cent, 18 per cent;

Form 1

The Crop Insurance Act (Ontario)

CONTRACT OF INSURANCE

Between:

THE CROP INSURANCE COMMISSION OF ONTARIO, hereinafter referred to as "THE COMMISSION",

OF THE FIRST PART;

— and —

.....

of the.....of.....

in the County (or as the case may be) of

....., hereinafter referred to as "THE INSURED PERSON",

OF THE SECOND PART.

WHEREAS the insured person has applied for crop insurance on one or more crops under The Crop Insurance Plan for Fresh Market Crops, hereinafter referred to as "the plan";

NOW THEREFORE, subject to *The Crop Insurance Act (Ontario)* and the regulations made thereunder, where in a crop year the insured person suffers a loss resulting from one or more of the perils designated in the plan, the Commission, subject to the terms and conditions hereinafter set forth, agrees to indemnify the insured person in respect of such loss.

CAUSES OF LOSS NOT INSURED AGAINST

1. This contract does not insure against and no indemnity shall be paid in respect of a loss resulting from,

- (a) the negligence, misconduct or poor farming-practices of the insured person or his agents or employees;
- (b) a shortage of labour or machinery;
- (c) plant disease unless recommended spray programs were followed; or
- (d) a peril other than the perils designated in the plan.

EXTENT OF INSURANCE

2.—(1) The insured person shall offer for insurance all acreage planted in the crop year to the insured crop or crops on the farm or farms operated by him in Ontario, and, subject to subparagraph 2, this contract applies to all such acreage.

(2) This contract does not apply to, and no indemnity is payable in respect of, acreage planted to an insured crop,

- (a) that was not adequately prepared for cropping purposes;
- (b) that, in the opinion of the Commission, is not insurable;
- (c) that is not intended for sale on the fresh market;
- (d) on which the insured crop is a volunteer crop.

3.—(1) Where the acreage planted by the insured person in the crop year is not the same as that stated in the application for insurance, the insured person shall, not later than the 15th day of July, notify the Commission in writing of the actual acreage planted.

(2) Where the actual planted acreage of an insured crop is less than that stated in the applica-

tion for insurance, the maximum amount of indemnity shall be reduced proportionately.

(3) Where the actual planted acreage of an insured crop is more than that stated in the application for insurance, the maximum amount of indemnity and the premium payable shall not be increased but the production from the total planted acreage shall be included in establishing the income of the insured person.

HARVESTING OF PLANTED ACREAGE

4.—(1) All acreage planted to an insured crop in the crop year shall be harvested for the fresh market unless the Commission, upon application therefor in writing, consents in writing to,

- (a) the use of the planted acreage or any part thereof for another purpose; or
- (b) the abandonment or destruction of the insured crop or any part thereof.

(2) For sweet corn and tomatoes the final date for the harvesting referred to in subparagraph 1 is noon on the 1st day of November or such other date as may be determined from time to time by the Commission.

(3) Where the harvesting of any acreage planted to sweet corn or tomatoes is not completed on the date prescribed by subparagraph 2, the insured person shall forthwith notify the Commission in writing.

(4) Where an insured person fails to notify the Commission in accordance with subparagraph 2, no indemnity shall be paid in respect of unharvested acreage.

5.—(1) Where, at any time before harvest, any part of the insured crop is lost or damaged, the Commission, upon application therefor in writing by the insured person, may consent in writing to,

- (a) the replanting of the damaged acreage; or
- (b) the abandonment or destruction of the insured crop on such damaged acreage and in such case the Commission shall determine the number of damaged acres and the potential value of production thereof.

(2) Where damaged sweet corn or tomato acreage is replanted to the same crop in accordance with clause *a* of subparagraph 1 prior to the 1st day of July in the crop year, the contract of insurance shall continue to apply to such replanted acreage.

(3) Where damaged acreage is replanted to sweet corn or tomatoes after the 30th day of June or is replanted to another crop, the Commission may

terminate the insurance coverage on such acreage and refund the premium paid in respect of such acreage.

(4) Where,

- (a) damaged acreage is abandoned or destroyed in accordance with clause *b* of subparagraph 1; or
- (b) the harvesting of any planted acreage is not completed on the date determined therefor,

the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the amount by which the coverage for the damaged or unharvested acreage, as the case may be, exceeds the potential value of production determined therefor.

(5) Where damaged acreage is not used for any other purpose or the crop thereon is not abandoned or destroyed after the Commission has consented thereto, the amount of loss calculated under subparagraph 4 shall not be taken into account in the final adjustment of loss.

(6) Where the actual value of production of the acreage harvested determined in the manner prescribed by section 10 of the plan is less than the coverage for such acreage, the amount of loss that shall be taken into account in the final adjustment of loss in respect of the total planted acreage shall be calculated as the difference between the coverage and the actual value of production.

EVALUATION OF LOSS

6. The amount of loss that shall be taken into account in the final adjustment of loss is the amount by which the total coverage prescribed by section 9 of the plan exceeds the sum of,

- (a) the total value of production of the insured crop or crops for the crop year determined in the manner prescribed by section 10 of the plan;
- (b) the value as determined by the Commission of the potential production of acreage unharvested for reasons other than the insured perils; and
- (c) any loss sustained by reason of a peril other than the perils designated in the plan.

MISREPRESENTATION, VIOLATION OF CONDITIONS OR FRAUD

7. Where the insured person,

- (a) in the application for insurance,

- (i) gives false particulars of an insured crop to the prejudice of the Commission, or
- (ii) knowingly misrepresents or fails to disclose any fact required to be stated therein;

- (b) contravenes a term or condition of the contract of insurance;
- (c) commits a fraud in respect of an insured crop; or
- (d) wilfully makes a false statement in respect of a claim under the contract of insurance,

a claim by the insured person is invalid and his right to recover indemnity is forfeited.

WAIVER OR ALTERATION

8. No term or condition of this contract shall be deemed to be waived or altered in whole or in part by the Commission unless the waiver or alteration is clearly expressed in writing signed by the Commission or a representative authorized for that purpose by the Commission.

INTEREST OF OTHER PERSONS

9. Notwithstanding that a person other than the insured person holds an interest of any kind in an insured crop, for the purposes of this contract,

- (a) the interest of the insured person in an insured crop is deemed to be the full value of the crop; and
- (b) except as provided in paragraph 10, no indemnity shall be paid to any person other than the insured person.

ASSIGNMENT OF RIGHT TO INDEMNITY

10. The insured person may assign all or part of his right to indemnity under this contract in respect of an insured crop but an assignment is not binding on the Commission and no payment of indemnity shall be made to an assignee unless,

- (a) the assignment is made on a form approved by the Commission; and
- (b) the Commission consents thereto in writing.

11.—(1) Where loss or damage to an insured crop results from one or more of the perils insured against and the damage was occasioned at a readily ascertainable time, the insured person shall notify the Commission forthwith by telephone and shall confirm in writing within three days of such time.

(2) Where loss or damage to an insured crop results from one or more of the perils insured against

and it appears, or ought reasonably to appear to the insured person at any time after planting and before the completion of harvesting of the insured crop that the potential production of the insured crop has a value less than the total insured coverage, the insured person shall, as soon as the loss or damage is apparent, notify the Commission in writing forthwith.

(3) Notwithstanding any notice given by the insured person under this paragraph, where on completion of harvesting of an insured crop,

- (a) the actual value of production of the insured crop determined in the manner prescribed by section 10 of the plan is less than the total insured coverage; and
- (b) the loss resulted from one or more of the perils insured against,

the insured person shall notify the Commission in writing forthwith.

ABANDONMENT, DESTRUCTION OR ALTERNATE USE

12.—(1) Acreage planted to an insured crop shall not be put to another use and the insured crop shall not be abandoned or destroyed until the Commission has appraised the potential production of the acreage.

(2) An appraisal made under subparagraph 1 shall not be taken into account in the final adjustment of loss where the insured person harvests the appraised acreage.

ADJUSTMENT OF LOSS

13.—(1) The indemnity payable for loss or damage to an insured crop shall be determined in the manner prescribed by this contract.

(2) The Commission may cause the production of an insured crop to be appraised by any method that it deems proper.

(3) No indemnity shall be paid for a loss in respect of an insured crop unless the insured person establishes,

- (a) the total value of production of the insured crop for the crop year; and
- (b) that the loss in income or part thereof resulted directly from one or more of the perils insured against.

(4) Where a loss resulted partly from a peril insured against and partly from a cause of loss not insured against, the Commission shall determine the amount of the loss that resulted from the cause of loss not insured against, and the indemnity payable by the Commission under this contract shall be reduced accordingly.

PROOF OF LOSS

14.—(1) A claim for indemnity in respect of the insured crop shall be made on a proof of loss form provided by the Commission and shall be filed with the Commission not later than sixty days after,

- (a) the completion of harvesting of the last of the insured crops; or
- (b) the end of the crop year,

whichever is the earlier.

(2) Subject to subparagraph 3, a claim for indemnity shall be made by the insured person.

(3) A claim for indemnity may be made,

- (a) in the case of the absence or inability of the insured person, by his agent; or
- (b) in the case of the absence or inability of the insured person or on his failure or refusal to do so, by an assignee under an assignment made in accordance with paragraph 10.

(4) Where required by the Commission, the information given in a proof of loss shall be verified by statutory declaration.

ARBITRATION

15. Where the Commission and the insured person fail to resolve any dispute respecting the adjustment of a loss under this contract, the matter shall be determined by arbitration in accordance with the regulations.

TIME FOR PAYMENT OF INDEMNITY

16.—(1) No indemnity under this contract becomes due and payable until,

- (a) the end of the crop year; and
- (b) the premium has been paid in full.

(2) Where the indemnity payable by the Commission under this contract is established by the filing of a proof of loss form or by an award of an arbitrator or board of arbitration, it shall be paid within sixty days of the receipt by the Commission of the proof of loss form or award, as the case may be.

(3) Nothing in this paragraph prevents the Commission from paying indemnity under this contract at an earlier date.

SUBROGATION

17. Where the Commission has paid a claim under this contract, the Commission is subrogated to the extent thereof to all rights of recovery of the insured person against any person and may bring action in the name of the insured person to enforce those rights.

RIGHT OF ENTRY

18. The Commission has a right of entry to the premises of the insured person that may be exercised by agents of the Commission at any reasonable time or times for any purpose related to the contract of insurance.

NOTICE

19.—(1) Any written notice to the Commission shall be given by delivery thereof or by sending it by mail to the Commission.

(2) Written notice to the insured person shall be given by delivery thereof or by sending it by mail addressed to him at his last post office address on file with the Commission.

IN WITNESS WHEREOF The Crop Insurance Commission of Ontario has caused this contract of insurance to be signed by its general manager but the same shall not be binding upon the Commission until countersigned by a duly authorized representative thereof.
